

MATCH REPORT

COUNTY CUP - Year 7 FOOTBALL

HENLOW 0 Stopsley High 2

This was our first game of the season - and it showed, as we were very slow to start. Stopsley dominated play in the opening minutes, but our defence held out and Declan made several good saves. However, they eventually broke through and scored. Going in at half time, we were quite pleased to be still in contention and in the second half we started to really get into the game and looked like scoring on numerous occasions. The opposition were then given a controversial penalty. This was justly saved by Declan. We then came close to scoring several more times, before Stopsley once again scored another goal on the break.

Overall, a pleasing performance. Our team showed a lot of promise for the forthcoming season.
