

Year 6 Rugby

Bedfordshire Contact Festival

Bedford Athletic Rugby Union Football Club

Friday 20th January 2012

This was our second tournament of the year. We played four games, losing two by the narrowest of margins. In the game against Holmemead, we were really unlucky after dominating most of the match and having a try disallowed, we suffered seeing them score in the last second of the game!

In our final game, we played our best rugby of the day. It was a close game with both teams scoring two tries. We could have snatched a victory in the last seconds, but for a final try scoring tackle from the opposition.
